

Welcome Week for new Biomedical Engineering Students

A number of important centrally organised events will be happening throughout the week commencing 18th September. Information about these is available to you on the [web](#) but you should note that the School is also putting on some events of its own. You are **STRONGLY ADVISED** to attend all that apply to you, as important information will be given. These are shown below. To help you navigate around the campus, please view the downloadable [map](#).
